

“HOOKIN UP”

Potential Sponsors:

My name is Dwayne Goffin. I have been fishing since I was 4 years old and have taken on fishing more seriously the last few years by fishing local tournaments like the Wolfson, Celebration, Rodman & the TNT Working Mans Tournaments.

In 2010, I want to continue pursuing my dream of fishing professionally and will be fishing the ABA (American Bass Anglers) tournaments as well as the Wolfson, Rodman & the TNT Working Mans Tournaments.

Entry fees range from 40.00-150.00 per week or per tournament. This is of course in addition to equipment, fuel, travel, maintenance, licenses & registration. Fishing like many others sports would not be possible without the help of sponsors. Sponsors not only provide monetary support, but could also provide goods and services which saves the team money which we can then apply towards the team's tournaments, travel, equipment, maintenance etc.

We have met many great individuals and companies and have built many relationships over the years and hope to continue building as we begin our new journey.

If you would like information on becoming a sponsor, e-mail us at hookinup@goffinmotorsports.com or call us at [904-229-2282](tel:904-229-2282) to setup an appointment to discuss the available options.

Thank you,

Dwayne Goffin
