

Hello,

Our Names are Scott & Cameron Goffin. Scott is 14 and has raced Quarter Midgets/.25 Midgets for 5 years winning his final heat and feature race and winning the Lt. World Formula track Championship to end his Quarter Midget Career. Cameron is 8 has raced Quarter Midgets/.25 Midgets for 4 years winning his final heat and feature race and placing 4<sup>th</sup> place to end his Quarter Midget Career.

Due to a family illness and relocation, Scott and Cameron can no longer race Quarter Midgets but want to stay active in racing. They are looking for sponsors to enable them to pursue racing anything from karts, sprints, legends etc on either dirt or asphalt around the Jacksonville, Gainesville or Daytona are.. They are also interested in trying out and driving for other teams as well.

Both boys are very well mannered, have great sportsmanship and are very clean drivers. They have had the same sponsors for the last 5 years and any of their previous sponsors can be contacted for references.

The boys racing history can be seen on their website at [www.goffinmotorsports.com](http://www.goffinmotorsports.com) or you can email us at [sponsor@goffinmotorsports.com](mailto:sponsor@goffinmotorsports.com) or call us at 904-554-3878.
